

Company Fact Sheet

ABOUT US

At Piedmont Plastics®, we've come a long way since opening our doors in 1968 with one location and five employees. Today, Piedmont has over 50 branch locations with more than 600 employees and two film conversion centers.

Privately owned and operated, we're proud to say that Piedmont's ownership is actively involved in leading our business. We concentrate on satisfying our customers with integrity and a solutions-focused approach.

Fulfilling this mission has fueled our growth and made Piedmont Plastics the premier distributor in the plastics industry.

HERE FOR YOU

Piedmont Plastics provides value-added solutions to benefit your business. Training sessions, joint sales calls, and a dedicated sales staff are the foundation of our Piedmont Value Proposition.
