

# Social Distancing Window & Wall Signage

Piedmont Plastics recognizes the need for proper social distancing signage/markings inside essential business that must remain open during these troublesome times. Window and wall signage is an excellent way to remind customers and employees to ensure proper social distancing practices are followed. High visibility colors and large easy to read lettering provide the most effective means of capturing attention and relaying important information.

## EASILY REMIND YOUR CUSTOMERS AND EMPLOYEES TO FOLLOW SOCIAL DISTANCING BEST PRACTICES
