# Made true.

At Gemini, we've been extruding our own substrates for decades and our Duets™ line of engraving and ADA materials draws on more than 50 years of sign product manufacturing excellence. Gemini is widely recognized as the industry leader in dimensional letters, logos and plaques. We got there by focusing on the needs of our customers. By working hard and responding quickly. By paying attention to the details. And by staying true to our small town values and principles.

We're a family-owned company built on a tradition of producing exceptional products and going the extra mile for our customers. Gemini delivers to world-class standards and always will.

## **Made right here. The right way.**

High-performance Duets laser and rotary substrates are manufactured right here in Cannon Falls, Minnesota in the industry's first state-of-the-art class 10,000 cleanroom manufacturing facility. These ideal conditions yield truly superior and consistent products with tightly-controlled color and finish uniformity you can rely on, from sheet-to-sheet, order-to-order, year-after-year. Now you have a better choice.

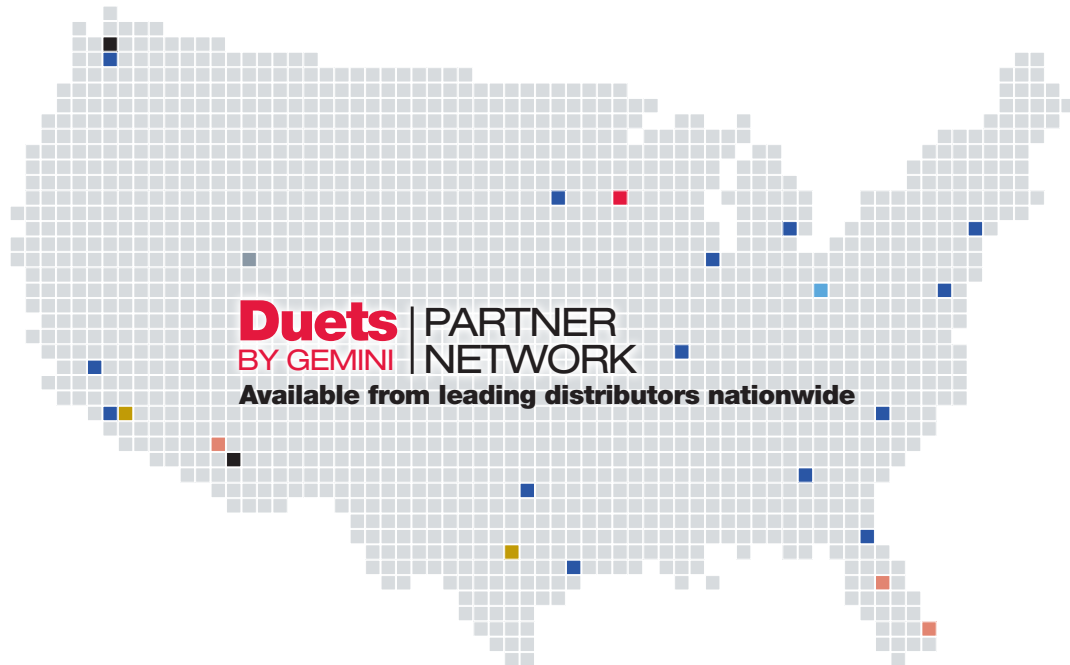

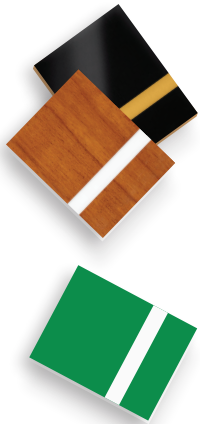

## **Our enduring promise to you.**

We stand behind everything we make, and have for over 50 years. And while it's our name on the materials, we know it's your name on the final product. That's a responsibility we don't take lightly. With Duets By Gemini, you can offer customers exquisite interior and exterior signage and wayfinding with value that makes your bottom line look just as good.

# A better choice. Made better.
