APPLICATIONS:

Vehicle Signage, Outdoor
Banners, Wall Coverings/
Displays, Photo Enlargements,
Building Wraps and More!

**Magnum
Magnetics®**

The Force in Flexible Magnetics®

MuscleMag® brings high-energy magnets to your printing.

Use your digital press or wide-format inkjet to create car sign magnets using Magnum's MuscleMag® **high-energy** printable magnetic material. MuscleMag is specially formulated to be very thin to allow smooth feeding and easy cutting while having a more substantial holding power than a refrigerator magnet.

MuscleMag® Features

MuscleMag® for INKJET

- ➔ Magnetized material.
- ➔ Printable on a variety of solvent, eco-solvent, and UV inkjet printers including Roland®, Mutoh®, Epson®, Océ®, Hewlett Packard®, and Mimaki®.

MuscleMag® for DIGITAL

- ➔ Material is unmagnetized—magnetize post-press using magnetizers available from Magnum Magnetix®.
- ➔ Material is printable on a variety of digital presses, including HP Indigo®, Xerox iGen®, Kodak NexPress®, and more.

WEATHERABILITY

Magnum® flexible magnetic sheeting performs well in adverse weather (such as rain, sleet and snow), and in temperatures from -15° F to 160° F (-26° C to 71° C). UV coating will protect inks and increase weatherability.

SHIPPING AND PACKAGING

Magnum Magnetix® can ship your product almost any way you want it—in rolls, bulk on skids, cut blanks in boxes, or using personalized packaging for private labeling. Most orders of our stock products can ship within 24 hours.

OUR PROMISE TO CUSTOMER SERVICE

We pride ourselves on unparalleled customer service—not just lip service. We offer genuine, customer-oriented solutions that beat the competition. Rely on the Magnum® promise: **Quality, Service, Delivery, Value.**

The next time you're in the market for flexible magnetic sheet, strip, custom profiles or magnet related products, demand the brand that keeps its promise—demand the Magnum® brand.
