

NEW EMBOSSINGS

BRAVA® PVC FREE WALLCOVERINGS

We are excited to announce that we are now offering three new standard embossings for Brava™. Each of these patterns are available on our Type II, Satin and Matte offerings (including Spray and Up).

GRASSCLOTH 1012

This embossing pattern features strong, robust woven look and feel that has typically graced the walls of hotels, restaurants and more.

GrassCloth is the perfect choice for large rooms where an organic, earthy design scheme is desired.

SUEDE 1014

One of the most sought after embossings for wallpaper, Suede features a texture that adds an alluring character to any design.

Suede is known for its universal appeal, from chic to rustic, it accentuates every design it shares.

SAILCLOTH 1013

Mimicking an organic, woven linen, Sailcloth has been featured in art galleries, museums and corporate settings.

SailCloth easily mimics both artist canvas and hand made linens, making it perfect for vivid, creative designs.
