Our CLING-KING print media adheres to smooth and non-porous and clean surfaces such as glass, ceramic, plastic, stainless steel and finished wood.

It can be applied, removed, re-applied multiple times, all free of residue.

It is no adhesives system, washable and eco-friendly.

It is suitable for application temperatures from -4 to 176 degrees Fahrenheit (-20°C to 60°C), perfect solution for window signs, glass walls and car signs.

CLING-KING is available in white, transparent and frosted, available in 100ft & 140ft rolls, 50" & 54".
