

Graphic Solutions

Why Piedmont?

WE OFFER

- Over 50 Branch Locations
- Expert Product Knowledge
- Local Inventory & Value-Added Services

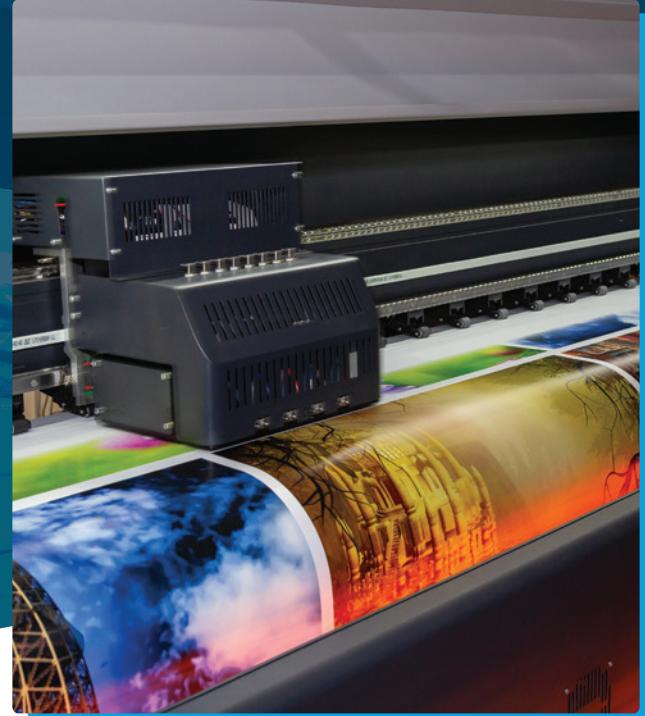

WHO WE ARE

At Piedmont Plastics®, our recipe for success for over 50 years has been excellent customer service, local, knowledgeable employees, and competitive prices on the world's best brands.

In that time, we have grown from a local supplier of basic plastic shapes and films, to one of the leading plastic distributors in North America.

With a reputation for integrity that permeates every aspect of our business, we have established a legacy of customer service and product quality. We embrace every opportunity to promote enjoyable, profitable relationships with our customers, employees and suppliers.

With over 50 distribution centers throughout North America, chances are, we have what you need, when you need it... *FAST*.

OUR COMMITMENT

Customer service is a core value of Piedmont Plastics®. We are committed to providing every customer with the highest level of service in the industry. This commitment reaches far beyond simply providing you with our knowledgeable sales representatives and the right product mix. Through our dedication to this goal, our customers have come to rely on us for:

- On-Time Shipping
- Premier Brands
- Industry Expertise
- State-of-the-Art
- Quality Management Conversion Equipment
- Systems

the
PREMIER CHOICE
for your graphics needs

PSG® SupraFLEX® Banner Substrates

HORIZON FRONTLIT

Piedmont Sign Grade® SupraFLEX® Horizon is a single-sided frontlit banner with exceptional versatility. It is an excellent product for point-of-purchase displays, billboards, interior and exterior applications.

- POP
- Billboards
- Banner Stands

ECLIPSE BLOCKOUT

Piedmont Sign Grade® SupraFLEX® Eclipse is a double-sided blockout banner with a super smooth finish for a superior print quality and high degree of opacity to hide images printed on the reverse side or image washout from lighting behind the banner.

- POS
- Tradeshows
- Pole Banners

BREEZE MESH

Piedmont Sign Grade® SupraFLEX® Breeze is a lightweight coated mesh banner for exterior applications and has the capability to withstand high wind loads. It is an excellent product for exterior applications such as ball parks, stadiums, festivals and theaters.

- Fences
- Stadiums
- Construction Sites

CURL FREE PET SCRIMLESS

Piedmont Sign Grade® SupraFLEX® Curl Free is a scrimless PET banner for interior applications. This super smooth blockout banner is a no curl product for use in pop-up banner stands, exhibits, displays and any application that requires lay flat characteristics.

- POS
- Tradeshows
- Pop-Up Banners
